Request for Funding

The SCCCFF is supported entirely by public contributions. It is important that these limited funds be available for patients who are experiencing the greatest financial need. Listed below are some questions to consider before completing this application or requesting funding:

1. What impact has the diagnosis had on your current income or financial situation?
2. What unusual out-of-pocket expenses do you have as a result of the diagnosis?
3. What other financial resources do you have access to that may assist with these expenses?

If you believe you are in financial need at this time, please review the following guidelines:

- SCCCFF offers limited short-term financial assistance to individuals who have been diagnosed with cancer or a disease of the blood and who reside in or receive their primary cancer treatment in Sheboygan County.
- Funding approvals and limits are based upon available funding.
- SCCCFF does NOT pay medical expenses or bills at cancer clinics or hospitals located in Sheboygan County.
- All requests require a complete and accurate application (incomplete applications may delay processing).
- Please allow up to ten business days for processing (you will receive notification upon approval/denial).
- Please submit your application and contact us by phone if you have any concerns.
