Gas Card Assistance

The SCCCf is supported entirely by public contributions. It is important that these limited funds be available for patients who are experiencing the greatest financial need. Listed below are some questions to consider before completing this application or requesting funding:

1. What impact has the diagnosis had on your current income or financial situation?
2. What unusual out-of-pocket expenses do you have as a result of the diagnosis?
3. What other financial resources do you have access to that may assist with these expenses?
